FLUTED VENEERED PANELS

Ventura introduces real veneered and fluted modernistic panels, with warmth of wood. These very aesthetically appealing wall panels add a Scandinavian and minimalist look to your interiors.

Vald'art Fluted Veneered Panels are  extremely easy to maintain. You can simply use a soft cotton cloth dipped in a standard cleaner to wipe the veneer surface clean. Only a cleaning cloth and mild water free solvent product is sufficient to maintain the freshness of the wood veneers.

FINISHES AND SURFACES

Available in numerous wood surfaces like Walnut, Oak, Ash, Smoked Oak, Dyed Veneers and many more which can be customised for you.
